

Can you handle the pressure of this Pacman-like gem?
Or will you succumb to the terrifying features this game offers.
Feel the embrace of the darkness with only your trusty torch
Full surround sound to enhance the tension
Every piece of gold weighs you down, so be careful
Each game is different with a built-in level generator

Collect gold and crystals
to fund your endeavors

Choose your expenses wisely

Beware of your surroundings
or succumb to the Mine

Face the terrors that haunt
the darkness within

Cup Hou Coffee Games
